

Dear families,

Welcome to the Autumn term in Year 4. We have an exciting term ahead!

The adults supporting your children in class are as follows:

4K: Mrs King and Mrs Safiah

4G: Mr Gilbert, Mrs West, Mrs Peake and Miss Rayment

P.E days are as follows:

Tuesday and Thursday

Please send your children into school in their P.E kit on these days.

Read on below to find out what your children will be learning this term.

English

We begin our English work in the autumn term by writing narratives, focusing on description of setting followed by description of character. With non-fiction writing, the children will explore and write a balanced argument.

Maths

In the autumn term, we will be covering the following areas in Maths: Place Value, Addition & Subtraction and Multiplication & Division. Times Tables will have a high profile this year due to your child taking the national Multiplication Tables Check (MTC) in June 2027.

Science

In Science, our first topic is animals including humans, with a focus on teeth and digestion. Our second topic will focus upon animal food chains.

Other subjects

In Geography, we find out about Greenland and compare it to Colchester and the UK. Our History focus is Ancient Civilisations, in particular Ancient Egypt. In RE we will be learning about Christianity and where religious beliefs come from and consider if seeing is believing, linked to the Sikh religion. In PE, children will develop their basketball and hockey skills.

Please ensure your child brings their reading book, reading diary and a named water bottle into school each day.

Thank you for your support,

Mrs King and Mr Gilbert
